

If you are age 72 or older, Required Minimum Distributions (RMD) from your IRA account are required. By directing your plan administrator to send your RMD directly to Good Shepherd Catholic Radio, you will not have to pay tax on the distribution, which could potentially place you in a lower income tax bracket. Those who are ages 70 ½ - 72 can also take advantage of this benefit, although they are not required to take the distribution at the moment.

We thank you for considering Good Shepherd Catholic Radio in your financial plans.
